## About

---

Python Developer skilled in Django, REST APIs, and data analysis with Pandas and NumPy. Experienced in building scalable web applications using HTML, CSS, and MySQL. A problem-solver with a keen eye for detail, committed to writing clean and efficient code while staying updated with the latest technologies.

## Education

---

**University of Mumbai**, BS in Information Technology

- GPA: 3.5/5.0

**Vivek College**, HSC

- Percentage: 60

## Skills

---

- **Programming Languages:** Python, C++ , Core Java, C.
- **Web Technologies:** Django, Django REST Framework, ORM.
- **Databases:** MySQL, PostgreSQL, SQLite3.
- **Libraries and Modules:** Pandas, Numpy, Matplotlib, Selenium, Celery.
- **Frontend:** HTML, CSS.
- **Tools:** Docker, Jupyter Notebook, Github, VS Code, PyCharm, Excel.

## Experience

---

**Python Developer And Tutor**, CM Techno Solutions – Mumbai

June 2021 – Present

- Develop and maintain web applications using Python and Django, ensuring efficiency and scalability.
- Conduct training sessions on Python programming, web development, and data analysis for students.
- Guide learners through hands-on projects, enhancing their practical coding skills.

## Projects

---

### Sales Analyzer - Python

- Developed a data-driven tool to analyze sales trends and performance metrics.
- Integrated visual reports, filtering options, and real-time insights for better decision-making.

### E-Commerce Website - Django

- Built a dynamic, feature-rich platform for online shopping.
- Implemented user authentication, product management, and order tracking.

### CRM Web Application - Django

- Built a customer relationship management system to track leads, sales, and interactions.
- Integrated automated email notifications and role-based access control.

### Library Management System - Django

- Developed a web-based system to manage book records, users, and borrowing history.
- Implemented features like book search, issue/return tracking, and user.

## Soft Skills and Hobbies

---

**Soft Skills:** Strong analytical thinking, Problem-solving ability, Adaptability.

**Habits:** Cricket, Cooking.
